TALENT SEARCH

Norcross Pride is looking for talent for the remote show, streaming on June 20, 2020. We're looking for mainly singer/songwriters but we're open to other areas, like stand up comedians or other entertaining acts.

WHAT YOU GET

- The Norcross Pride audience. Last year we had nearly 2,000 attendees and since this year it will be online, the sky is the limit.
- Being included on promos leading up to the event.
- Inclusion of a URL (personal website, social page, YouTube channel) during your performance.

WHAT WE NEED

- Upbeat, uplifting performances that reflect our vision of a better world where the LGBTQ+ community is endowed with the same rights as everybody else.
- Willingness to record your performance on your own, but using our backdrop, you must own a phone or camera capable of recording HD video. We will provide the backdrop and stands.
- You must mail or upload your final performance by the deadline, provided after your submission has been accepted.
- You must own all the rights to the material you will perform. We're open to also including public domain material as long as you provide evidence that it is, in fact, a public domain piece.
- Short performances, for musicians up to three songs with breaks in between will be accepted, all other types of performances will be 5 minutes or shorter.
